'MopedGP' for hundreds of two-wheel enthusiasts and world championship stars. Round about the middle of August, Austria's Red Bull Ring will once again be hosting the world's top motorcycle riders and two-wheel racing enthusiasts in their tens of thousands. To cater for the fans' desire to demonstrate their own prowess, a special side event has been added to the programme, namely the 'MopedGP of Austria' on Thursday 14th August. It's less about speed or performance and more about celebrating Austria's deeply ingrained culture of moped riding and about getting fans in the mood for the race weekend. In 2024, hundreds of motorbike enthusiasts paraded their machines on the race track, accompanied by numerous world championship stars.

'Super Thursday' with Public Pit Lane Walk. The Grand Prix weekend at the Red Bull Ring traditionally gets underway for visitors on Thursday with the Public Pit Lane Walk. This year, the exclusive stroll through the pit lane with glimpses inside the teams' garages takes place on 14th August. The MotoGP stars know about the pit walk and are happy to delight their fans with selfies and autographs. Access is for weekend ticket holders, but due to limitations on the number of visitors, it's 'first come, first served'.

Double race action and busy programme of off-track entertainments at Spielberg.
